Dillistone Group Plc

20 May 2022

Dear Shareholder,

I am writing to inform you that this year's AGM of Dillistone Group Plc will be held on Wednesday 15 June 2022 at 10.30 am at 12 Cedarwood, Crockford Lane, Basingstoke RG24 8WD. Details of the business to be considered are set out in the notice of meeting ("**Notice**") which follows this letter. I should like to make some comments on a number of the matters to be dealt with at the AGM.

Resolutions 2 – Re-election of Director

This resolution concern the re-election of Giles Fearnley. Giles Fearnley is retiring as he has served as non-executive director for nine years or more and must offer himself annually for re-election under article 83 of the Company's Articles of Association ("**Articles**"). The Board of Directors of Dillistone ("**Board**" or "**Directors**"), following its evaluation of the performance of Giles Fearnley, confirms that he is performing effectively and demonstrates commitment to his role.

Resolutions 3 – Re-election of Director

This resolution concern the re-election of Julie Pomeroy. Julie Pomeroy is retiring, as she is a non-executive director who has been a director for nine years or more and must offer herself annually for re-election under article 83. The Board, following its evaluation of the performance of Julie Pomeroy confirms that she is performing effectively and demonstrates commitment to her role.

Resolution 4 – Election of Directors

This resolution concerns the re-election of Jason Starr, who is retiring at the AGM by rotation in accordance with article 83 of the Articles. The Board, following its evaluation of the performance of Jason Starr confirms that he is performing effectively and demonstrates commitment to his role.

Resolution 7 – Directors' power to allot shares

Section 549 of the Companies Act 2006 (the "**Act**") stipulates that directors cannot allot shares or rights to subscribe for shares in a company (other than the shares allotted in accordance with an employees' share scheme) unless they are authorised to do so by its shareholders in general meeting. The Directors' current authority to allot shares was granted at last year's annual general meeting and is due to expire at the conclusion of the Meeting. Resolution 7 seeks new authority from shareholders (to the exclusion of the previous general authority granted at last year's annual general meeting) for the Directors to allot relevant securities up to an aggregate nominal value £327,800 (equating to 6,556,000 ordinary shares of 5p each in the share capital of the Company). This general authority equates to approximately one-third of the nominal value of the issued share capital of the Company. The Directors do not have any present intentions of exercising this authority, but they consider it desirable that the specified amount of unissued share capital is available for issue so that they can more readily take advantage of possible opportunities. Unless renewed, revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company.

Resolution 8 – Directors' power to allot shares for cash

Resolution 8 authorises the Directors in certain circumstances to allot equity securities for cash other than in accordance with statutory pre-emption rights (which require a company to offer all allotments for cash first to existing shareholders in proportion to their holdings). The relevant circumstances are either where (i) the allotment takes place in connection with a rights issue or (ii) the allotment is limited to a maximum nominal amount of £147,510 (equating to 2,950,200 ordinary shares of 5p each in the share capital of the Company), representing approximately 15 per cent. of the nominal value of the issued ordinary share capital of the Company. Unless renewed, revoked, varied or extended, this authority will expire at the conclusion of the next annual general meeting of the Company. Resolution 8 will also give the Directors power to sell Ordinary Shares held in treasury on a non pre-emptive basis, subject always to the limitations noted above. The Directors consider that the power proposed to be granted by Resolution 8 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power.

Resolution 9 – Authority to purchase shares (market purchases)

Under Resolution 9, which is proposed as a special resolution, the Company will seek to renew the current limited authority to make purchases in the market of its own Ordinary Shares subject to specified limits, including the minimum and maximum prices which may be paid. The maximum number of Ordinary Shares which the Company may purchase pursuant to this authority is limited to 1,966,802 Ordinary Shares, representing approximately 10 per cent. of the issued share capital of the Company.

In seeking this authority the Board is not indicating any commitment to buy back Ordinary Shares. The Board will only exercise the authority if, in the light of market conditions prevailing at the time, it considers that the purchases of Ordinary Shares can be expected to result in an increase in earnings per share and be in the best interests of shareholders generally. The Directors do, however, consider it desirable for this authorisation to be available to provide flexibility in the management of the Company's capital reserves. In the event of any purchase under this authority, the Directors would either hold the purchased Ordinary Shares in treasury or cancel them. The authority will expire at the conclusion of the next annual general meeting of the Company.

Action to be taken

Please complete and return the accompanying Form of Proxy to the Company Secretary so as to be received no later than 10.30 a.m. on 13 June 2022. Votes on the resolutions will be taken by way of a poll rather than on a show of hands.

Recommendation

Your Board considers each of the proposed resolutions to be in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial shareholdings amounting to 4,298,909 Ordinary Shares representing approximately 21.86 per cent. of the issued share capital of the Company.

Yours faithfully

Giles Fearnley

Non-Executive Chairman
